# BOOTCAMP TERMS & CONDITIONS

Dear Participant,

We request you to read the following terms and conditions carefully so that no misunderstandings are developed whilst the Bootcamp is being conducted.

1. All the participants are required to join the discord server and the WhatsApp group.
2. Participants are supposed to join the sessions at the instructed time which will be communicated on the WhatsApp group or on the Discord server.
3. All the attendees must actively participate in the discussions during the session and in the interactive platforms (i.e WhatsApp and Discord)
4. Doubts and Queries will be solved during the session itself. Participants can also post their doubts on the WhatsApp group or on the Discord server where anyone in the community can help you solve the problem.
5. Once enrolled in the Bootcamp the participant will not be allowed to exit the course at any point in time.
6. All the participants are supposed to submit the projects and tasks assigned to them on the time mentioned by the instructor.
7. Attendees must be respectful to all the participants, as well as the instructor and the coordinators. Any disturbance in the decorum will lead to undesired consequences.
8. The corresponding fees should be paid by the attendee on time.
9. The fees once paid will not be refunded.
